FOR SALE

THE ONLY COLD STORAGE AND ICE PLANT WITHIN A RADIUS OF THIRTY MILES.

The manager-secretary-treasurer of the Southern Cold Storage Company and City Ice and Coal company, located in Cleveland, Bradley county, Tenn., has been drafted for service in the army, the district board at Knoxville having decided that managers of such industries are not entitled to deferred classification; hence we have no choice in the matter, it is either sell out if you can or shut down and lose what you have.

What we want to do is to sell quick, and we will if you will, regardless of cost, worth or price.

We would consider farming lands as part of the consideration, but what is done must be done soon.

Please do not write or come to see us unless you are ready
